Youth Farm Exchange Program

The purpose of the Youth Farm Exchange Program is to enhance cattle industry segment knowledge, explore regional differences within the state, and forge long lasting relationships.

The program focuses on education and leadership through peer to peer collaboration and targeted seminars designed to strengthen communication skills.

Sponsored by TN BEEFoundation &
Tennessee Cattlemen's Association

Farm Exchange Details

Applications are due by March 31st

- ★ The Exchange Program will take place the week of June 8th-12th, 2020.
- ★ The program will include educational components, a unique industry segment tour, on-farm experience and networking opportunities.
- ★ Two participants will be selected. Applicants must be rising Sophomore through Senior.
- ★ Selected participants must be willing to host exchange partner for one day at your farm and provide meals for that day.
- ★ Participants must be able to utilize social media to communicate about experiences during or after the Exchange.
- ★ Participants are selected through a competitive process. Incomplete or late applications will not be considered.
